

# GigFinder.ai Cookie Policy

**Effective Date:** August 14, 2025

**Website:** GigFinder.ai

**Company:** GigFinder.ai

This Cookie Policy explains how GigFinder.ai uses cookies and similar technologies when you visit or use our website, platform, job search services, employer job posting services, communications, and related online services.

Cookies are small files stored by your browser that allow a website to recognize your device, remember certain information, and improve your experience.

By using GigFinder.ai, you agree that we may use cookies and similar technologies as described in this Cookie Policy, subject to your available choices and applicable law.

---

## 1. What Are Cookies?

Cookies are small text files placed on your computer, phone, tablet, or other device when you visit a website. Cookies may be set directly by GigFinder.ai, known as “first-party cookies,” or by third parties that provide services to us, known as “third-party cookies.”

We may also use similar technologies such as pixels, tags, scripts, local storage, session storage, device identifiers, and tracking technologies that perform similar functions.

---

## 2. How We Use Cookies

GigFinder.ai may use cookies and similar technologies to:

- Operate and secure the website and platform.
- Allow users to log in and maintain their session.
- Remember user preferences and settings.
- Support job search, job matching, employer posting, and account features.
- Understand how visitors use our website.
- Improve website performance and user experience.
- Detect fraud, abuse, security risks, or unauthorized activity.
- Measure the effectiveness of our marketing and communications.

- Support advertising, retargeting, or promotional campaigns, where applicable.
- 

### **3. Types of Cookies We May Use**

#### **Strictly Necessary Cookies**

These cookies are required for the website and platform to function properly. They may support features such as account login, security, fraud prevention, session management, payment processing, and form submissions.

Because these cookies are essential, they generally cannot be disabled through our cookie settings. You may be able to block them through your browser, but some parts of the website may not work correctly.

#### **Functional Cookies**

These cookies help us remember choices you make, such as preferences, saved settings, user interface choices, or information entered into forms. They help provide a more personalized and convenient experience.

#### **Analytics and Performance Cookies**

These cookies help us understand how users interact with our website and platform. For example, they may help us understand which pages are visited, how users navigate the site, whether errors occur, and how we can improve performance.

Analytics cookies may collect information such as browser type, device type, pages visited, time spent on pages, referring websites, approximate location, and interaction data.

#### **Advertising and Marketing Cookies**

We may use advertising or marketing cookies to measure advertising performance, deliver relevant promotions, limit repeated ads, understand campaign effectiveness, or support retargeting.

If we use advertising cookies or similar technologies for targeted advertising, you may have the right to opt out, depending on your location and applicable law.

---

### **4. Third-Party Cookies**

Some cookies may be placed by third-party service providers that help us operate, analyze, secure, advertise, or improve GigFinder.ai.

These third parties may include providers for:

- Website hosting and security.
- Analytics and performance monitoring.
- Payment processing.
- Email delivery and communication tools.
- Advertising and marketing platforms.
- Job listing, job distribution, or integration partners.
- Customer support or business operations tools.

Third-party providers may use cookies or similar technologies according to their own privacy policies. We do not control all third-party cookies or tracking technologies.

---

## **5. Cookies Used for Job Seeker and Employer Features**

Because GigFinder.ai supports job seekers and employers, cookies may be used to support features such as:

- Member account login.
- Employer account login.
- Saved searches.
- Job alerts.
- Resume or profile tools.
- Job matching tools.
- Application workflows.
- Employer job posting workflows.
- Dashboard preferences.
- Fraud prevention and platform security.

These cookies help ensure the platform works properly and provides a consistent experience.

---

## **6. Managing Cookies**

You can manage or disable cookies through your browser settings. Most browsers allow you to block cookies, delete cookies, receive alerts before cookies are placed, or limit certain tracking technologies.

Please note that disabling cookies may affect website functionality. Some features, including login, account access, saved preferences, employer dashboards, job alerts, or application tools, may not work correctly if cookies are blocked.

Common browser cookie settings can usually be found in the “Privacy,” “Security,” or “Site Settings” section of your browser.

---

## **7. Cookie Preferences**

Where available, you may manage your cookie preferences through our cookie banner, cookie settings, or privacy preference center.

You may be able to choose whether to allow certain categories of cookies, such as analytics, functional, or advertising cookies. Strictly necessary cookies may remain active because they are required for the website and platform to operate.

If we do not currently offer cookie preference controls, you can still manage cookies through your browser settings.

---

## **8. Do Not Track and Global Privacy Controls**

Some browsers or devices may send “Do Not Track” or similar signals. Because there is not yet a single, universally accepted standard for responding to all such signals, our website may not respond to every browser-based “Do Not Track” signal.

Where required by applicable law, we will honor legally recognized opt-out preference signals, such as Global Privacy Control, to the extent they apply to our use of cookies and similar technologies.

---

## **9. Changes to This Cookie Policy**

We may update this Cookie Policy from time to time to reflect changes in our technology, business practices, legal obligations, or services.

When we update this Cookie Policy, we will revise the “Effective Date” above. Your continued use of GigFinder.ai after changes are posted means you accept the updated Cookie Policy.

---

## **10. Contact Us**

If you have questions about this Cookie Policy or how GigFinder.ai uses cookies and similar technologies, you may contact us through the contact form or support features available on our website.
